PROPERTY DESCRIPTION

The real McCoy - an old adobe with wood and tile floors and kiva fireplace. The kitchen offers a sky light, refrigerator and washer & dryer stay! Vigas & beams add to the specialness of this cute home! Two bedrooms and 2 full baths. A flagstoned patio/portal area. There is a carport and a small storage room is built into the hillside. This is a very sweet location for an in-town, eastside casita of great charm - walking distance to everything.
